

THE HONG KONG FOOTBALL ASSOCIATION LIMITED

香 港 足 球 總 會 有 限 公 司

Technical Director

Established in 1914, the Hong Kong Football Association (HKFA) is the national sports association for football in Hong Kong. We are committed to enhance football development in Hong Kong. Over the past years, HKFA has been effective in broadening the base of participants and expanding various development programmes on community football covering grassroots and youth football, women's football and futsal. We provide coaching education and referee training courses to increase the supply of qualified coaches and referees to support player development and improve the standards of refereeing. We also organize football leagues, local and international competitions.

Based on the solid groundwork laid in the past years, the continual collaborations with football stakeholders as well as funding support from the FIFA, AFC, the Government of the HKSAR, the Hong Kong Jockey Club and other sponsors, we keep moving in the right directions for the implementation of our new HKFA five year strategic plan, namely "The Vision 2025 Strategic Plan", which the major goals identified vary from increased participation opportunities for all, viz. "Football for Everyone" to a long-term target of a Hong Kong men senior team going to the FIFA World Cup in 2034.

Our future success depends on the diverse talent and performance of dedicated employees. We now call for applications to fill this position which is financially supported by the Home Affairs Bureau's Arts and Sports Development Fund. The position is under the Technical Development Department in the organization structure of HKFA. Reporting to the Chief Executive Officer, the appointee is accountable for the technical development of football in Hong Kong including the identification, articulation (football curriculum and coach education content) and implementation of consistent styles and systems of play, particularly at the elite level. The main duties are listed below.

Job Descriptions

- To report regularly to the Board, Technical and Playing Committee and Chief Executive Officer on high performance football
- To research and provide advice on playing styles and to contribute to the development of coaching knowledge (football curriculum and coaching course content)
- To ensure that the HKFA has a clear and well thought through strategy for the development of football at all levels and to oversee its ongoing review and implementation
- To advise the HKFA on all technical playing matters including devising the Hong Kong 'style and system of play' and to articulate this into a Hong Kong Football Curriculum
- To work with and advise the Head Coach on performance systems and development programmes
- To ensure that grassroots and youth development activities and programmes are dovetailed with high performance systems and create seamless pathways for footballers to progress
